[www.healthshow.in](http://www.healthshow.in)

Health & Wellness Expo 2023, a trade show for the business as well as the consumer world. We have health enthusiastic exhibitors from all over India as well as from abroad to demonstrate and display products & services used for Health, Wellness, Beauty and Fitness activities. The motive of bringing the different branches of health business owners and end users together is to create a one stop destination of benefit for all.

Highlighting the importance of leading a healthy life, the expo aims to strengthen the trust of the consumers in different health products & services and provide a perfect platform to introduce the latest technical advances and research of the industry.

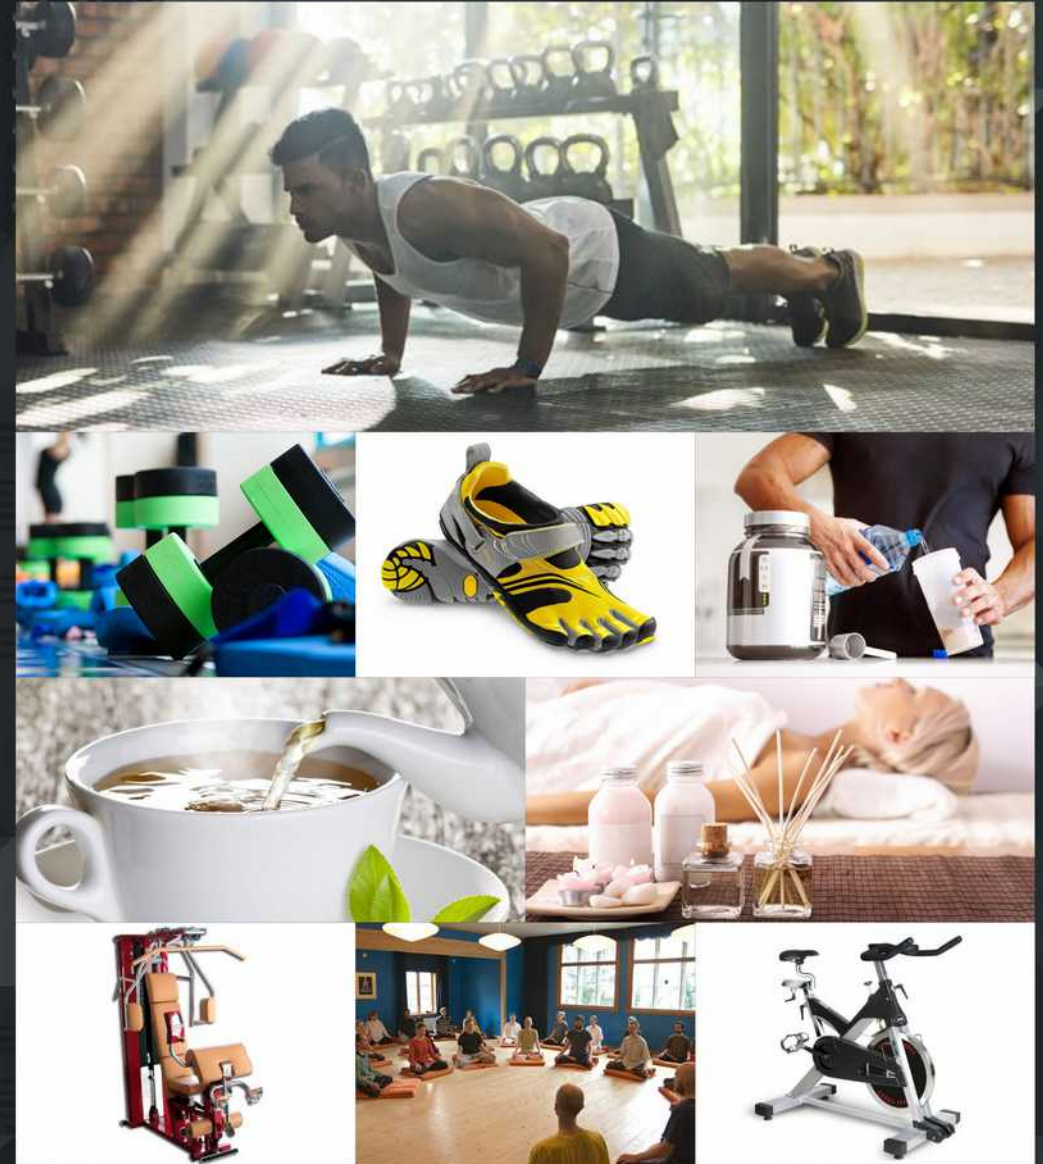

**300 Booths | 2,00,000 Sq.ft Area | 20000+Visitors**
